34
35 Potentially Sneaky Things to Work Around
36 - Sneaky column B thinger on CISD [line 25 has hidden 3 in column B)
37 - Sneaky characters mis placed characters [BAMCCBS cell C12]
38
39 PLAN B
40 Tammy has access to a database with the course data
41 provided in a more 'stripped down' fashion by an algo.
42 If working around man-made schedules too challenging,
43 consider following Tammy's plan B.
44
45 NOTIFY Tammy
46 BAMC 1123-N300 has wrong sections
